Professional Summary

As a passionate UI/UX designer, I'm excited about the opportunity to bring my creative problem-solving skills and user-centered mindset to your team. With a solid foundation in design principles and a keen eye for detail, I strive to create intuitive, engaging experiences that seamlessly connect user needs with business objectives. I look forward to collaborating with talented professionals and contributing to meaningful projects that deliver real value and lasting impact for users.

Professional Experience

UI/UX Design Intern (Remote)

SYNTECXHUB | Jan 2026 – Feb 2026

- Designed UI screens including landing page, product page, and onboarding flow
- Created interactive prototypes and micro-interactions to enhance user experience
- Developed user flow from wireframes to high-fidelity designs.

Education

Bachelor of Design (B.Des) – UI/UX Design

Dev Bhoomi Uttarakhand University, Dehradun | 2023 – 2027

- Focused on user-centered design, wireframing, and prototyping to create intuitive digital experiences
- Specialized in UI design, interaction design, and high-fidelity prototyping for web and mobile applications
- Trained in research-based UI/UX design, creating responsive interfaces and improving user experience
